2. To receive declarations of personal, prejudicial and disclosable pecuniary interests on items on the agenda and updates to members' register of interests.
- 3. Report from County & District Councillors – to follow**
4. **A Public Open Session.** Members of the public will be welcome to address the Parish Council with any local concerns they have. Please note this item will be limited in time at the discretion of the Chairman.

5. To approve as a correct record the **Minutes** of the Parish Council meetings held on 25 July 2022 – attached.
*Minutes of Full Council Meeting held on Monday 27 June 2022
at Sundridge Village Hall at 7.45pm*

Present: Councillors Baker, De Bono, Evans (Chair), Miller and Maybury

Attendance: Cllr Chard (County Councillor) (in part), Amanda Barlow (Clerk) and 0 member of the public

Apologies: Cllrs Allgood, Banbrook, Fribbens, Jones and Powell

1. To receive apologies and reasons for absence.

Apologies were received and accepted from Cllrs Allgood, Banbrook, Fribbens, Jones and Powell

2. To receive declarations of personal, prejudicial and disclosable pecuniary interests on items on the agenda and updates to members' register of interests.

None.

3. Report from County Councillor

Cllr Chard discussed the issue over the problem with the bus serviced for school. His latest report on the issue is at Appendix A.

Covers Farm – the Planning Committee will sit in September/October. There were two reasons for the delay due to Covid and the problems of visiting the site. There has also been a difference of views between the technical advisors to KCC and the Applicant.

It was agreed that Cllr Evans would stand in for Cllr Jones if he was away.

Average Speed Cameras - the trial is due to finish in a week or so and the number of people speeding is dropping.

4. Report from District Councillor

A report had previously been received from Cllr Bonin and it is attached at Appendix B.

5. **A Public Open Session.** Members of the public will be welcome to address the Parish Council with any local concerns they have. Please note this item will be limited in time at the discretion of the Chairman.

None.

6. To approve as a correct record the **Minutes** of the Parish Council meetings held on 27 June 2022

Hi,

I thought you would be interested in the latest update on the likely timing of the Covers Farm Committee date.

I have also, separately, informed Westerham Town Council.

Kind regards

Nick

Dear Nick,

I have been advised that the applicant is preparing additional information to address matters raised by consultee comments. The timing and nature of these will dictate when we report to Committee, but I think it unlikely it will make the 16th November meeting as papers need to be finalised for the 7th. The earliest date will therefore be the 7th December Committee.

I trust that this is helpful. I am happy to discuss

Kind regards

Sharon Thompson

8.1.2 Stubbs Wood Working Party

- Notes of a meeting of the Stubbs Wood Management Advisory Group – attached

Minutes of a meeting of the Stubbs Wood Management Advisory Group Held on Thursday 22nd September 2022 at 5.00pm in the Ide Hill Village Hall.

Present: Don Baker (Chair), Martyn Fribbens, David Miller, Dominic Rossi, Caroline Lingham and Richard Don
Apologies from Tim Saunders, Russell Maybury, Stephen Palmer.

1. Don welcomed the attendees to the meeting and explained that Tim Saunders was unwell and unable to attend the meeting. He would be able to attend on another date.

2. The items for discussion were as follows:-

- a) Tim Saunders' Report;
- b) The availability of insurance cover for the use in Stubbs Wood by volunteers of chainsaws and other mechanical equipment;
- c) A report on the work of the volunteers;
- d) The Code of Conduct.

3. Tim Saunders' Report.

It was agreed that Tim Saunders' Report was excellent, but it was a pity that he was unable to attend to discuss it. This is likely to result in the loss of weeks in the cutting season.

A number of questions arose in respect of the Report as follows:-

- a) The widening of the rides. We need to understand which 'rides' need to be widened and may need to ask the Forestry Commission to permit an alteration to the prescriptions if necessary. It was noted that Tim was recommending combining the widening with the coppicing.
- b) There was doubt as to how to deal with the removal of rhododendrons. After discussion, it was agreed that, although volunteers might well be able to cut them down, we need to ask Tim how best to dispose of the cuttings which could be a major undertaking.
- c) It was thought that there must be a veteran tree survey in existence and the Parish Clerk should be asked if she can produce a copy from the records.
- d) It was noted that a deer impact survey was needed. This would not be easy to arrange and it was thought that this should be dealt with at a later stage.
- e) Dom requested to know if the volunteers should be removing the holly. It was not mentioned in the prescriptions and therefore presumed that this was not necessary. As to Himalayan Balsam, this has largely been removed and it was thought that this might be the reason it was not mentioned in the Report.
- f) After discussion, it was agreed that the Group should recommend to the Parish Council that it should instruct Tim to prepare a detailed action plan to implement all aspects of his recommendations as set out in his Report and that he should attend a meeting to discuss that plan. He should also be requested, before doing so, to prepare an estimate of the likely amount of his costs for so doing. It was recognised that it would be difficult for him to estimate the overall cost of carrying out his proposals until quotations had been received from contractors for such of the work as could not be done by volunteers.

4. The availability of insurance cover for the use in Stubbs Wood by volunteers of chainsaws and other mechanical equipment.

Don reported that Zurich had quoted an increase in premium of £89.63 in respect of the Parish Council's insurance policy of up to the renewal date. However, it was not known when the renewal date was.

[Note: since the meeting it has been confirmed that the additional premium of £89.63 is for the full year from the renewal date of 29th September 2022.] This was to cover use by the volunteers of mechanical equipment, including brush cutters and the 'Allen' scythe, and for two named individuals, namely Dominic Rossi and Russell Maybury, to be able to cut trees of a diameter up to 380mm. Subject to knowing the renewal date, the Group recommended that if the proposal was accepted at the next Parish Council meeting on 3rd October 2022, that quotation should be accepted from a date as early as possible after that meeting.

5. A Report on the work of the Volunteers.

Dominic produced the poster which had for many years been displayed in the car park in Stubbs Wood by Yorks Hill. It was reported that it had been agreed by the Parish Council some time ago that the structure of the sign needed to be replaced. A draft of a new poster would be prepared, bringing the poster up to date and correcting any matters needing correction. This would be circulated to the Group for comment. It was thought that a grant might be available towards the cost of a replacement poster and sign.

It had been a very successful year for the volunteers. The mess left after the termination of the Japa contract had been cleared up; dead hedges had been established; the Himalayan Balsam had been very largely removed; hung up trees had been made safe; walkways had been kept clear and open. Dominic was congratulated on the work of his volunteers.

6. The Code of Conduct.

All members of the Group had received an email from the Parish Clerk, inviting those members who were not already Parish Councillors to sign a 'Code of Conduct'. It was not understood why that request had been made. Richard said that, whilst he had no objection to the terms of the Code of Conduct itself, he did not think it appropriate to be asking him to sign this. He recalled that in 2018, when the Group was set up, it was made clear that the Group was to be informal and advisory only, with no power to commit the Parish Council to anything. He had, in fact, drafted an 'organigram' showing the Group's relationship with the Parish Council, the Stubbs Wood Charity Foundation and the Amenities Committee. He understood that this had been circulated to and agreed by all the members of the Group, including the Parish Councillors who were part of the Group, as well as the Parish Council itself. He thought that, because this was some four years ago, (and it was strange that this was being raised now), this might have been forgotten. Had he thought that the Group was in some way, a subcommittee of the Parish Council rather than an informal grouping of local volunteers with Parish Councillors, he would not have joined. He would be writing to the Parish Clerk in response to the email he had received.

7. Any other business.

- a) It was agreed that it would be desirable to install picnic benches where appropriate.
- b) It was unknown whether the Catford Cycling Club had applied for permission to stage their annual race up Yorks Hill, but it was thought likely that if they did, the Parish Council would grant permission.

8. Date of next meeting.

No date was fixed.

Sevenoaks & Edenbridge

Hi Councils & Residents

It's all change now with our newsletters! Unfortunately due to very low staff numbers with no plan for any PCSO replacements, the previous format is no longer possible. This is due to there now being only 3 area based PCSOs covering the whole of Sevenoaks & Edenbridge and surrounding areas. This is an incredibly large area and so we must now be fluid in managing this vast part of the district as well as being a deployable resource for the whole of the district. This will result in future newsletters being more focussed on general crime prevention advice and seasonal information as opposed to it being ward based individually.

If you wish to view crime details and statistics for your area, we encourage you to sign up to E-Watch (www.e-watch.co) or visit Police.uk (www.police.uk)

Press Release

PR 6779

28 September 2022

For Immediate Release

New waste collection rounds

From 17 October, 2022 most residents will have a new waste collection day as Sevenoaks District Council introduces revised rubbish, recycling and garden waste rounds.

The change, the first in more than a decade, will improve the efficiency of the service, saving on fuel and carbon emissions as the Council moves towards Net Zero.

The Council will continue to collect residents' waste every week in black and clear sacks.

However, around 80% of residents will have a new collection day. Postcards are being sent to every home with details of their waste and recycling collection day from 17 October.

If a household has a new collection day or it remains the same, they should put their sacks out at 7am as the waste crews could arrive earlier than they are used to.

The Council's fortnightly garden waste collection days are changing too. From 17 October, garden waste collections will always take place on the same day as residents' waste collection day.

Garden waste customers can visit the Council's website www.sevenoaks.gov.uk/gardenwaste or call 01732 227000 to find out when their garden waste collections take place from 17 October.

Cllr Margot McArthur, the Council's Cabinet Member for Cleaner & Greener, says: "This is the biggest change to our collection rounds in many years. To ensure a smooth transition to the new days, residents should look out for our postcard with their collection day so they are ready for the new arrangements.

"It's really important that residents put their waste out at 7am, even if their collection day remains the same."
