Subject: Covers Farm

Dear All,

Sharon Thompson, KCC Head of Planning Applications has advised me that the Council's decision to refuse planning permission at Covers Farm has been appealed.

There are no publicly available documents yet but the information that there is to be an appeal will be in the public domain today.

Once the appeal is validated and the Planning Inspectorate notifies us of this then I will write further advising of the appeal and how the community can take part if they wish.

There is no further information at this time, other than it is expected to be a public inquiry.

Kind regards

Nick

Precept Calculations

- 5. The "tax base" of a Town or Parish area is calculated by converting all banding and discount figures to "band D equivalents", together with an allowance for non-collection. The final figure represents the amount of tax that would be raised by the levy of £1 in band D. For instance, if a Town or Parish has a tax base of, say, 2,000 and issued a precept for £16,000, then the Town or Parish's part of the tax for a two or more adult household in band D would be £8. In band A it would be £5.33 and in band H £16.
- 6. The Town or Parish element of the total council tax bill for a property is shown separately on the bill. The percentage change from the previous year also appears there. Where the precept exceeds £140,000, the details supplied in accordance with paragraph 4 are shown on our website.
- 7. The District's tax base calculations are to be approved by Cabinet on 16th January 2025. The tax base for 2025/2026 for your area, based on the valuation list and occupancy information on 1st December 2024 has been estimated to be 945.99. If you wish to see a detailed breakdown of the calculation, do please let me know. Based on ongoing recovery in collection rates the allowance for non-collection will remain the same for the coming financial year. For 2024/2025 it was set at 0.6% and for 2025/26 it will remain at this level.

2024/25

Tax base is 939.23

Precept £75,000

£75,000/939.23 = £79.85

2024/25

Tax base is 945.99

Precept £85,000

£85,000/945.99 = £89.85

12.3.1 Devolution of KCC - white paper attached

To: Pav Ramewal <Pav.Ramewal@sevenoaks.gov.uk> **Subject:** Devolution & local government reorganisation

Dear Clerks.

A happy New Year to you all. I do hope you managed to enjoy some time with family and friends over the last couple of weeks.

As I'm sure you are all aware, there has been significant discussion about the prospect of Kent & Medway moving forward with devolution and local government reorganisation since the Government published their White Paper in December.

Yesterday, Kent County Council held meetings of both their Council and Cabinet to decide whether to bid to join the Government's Devolution Priority Programme and, at the same time, commit to both local government reorganisation in Kent & Medway and to request the cancellation of the County Council election in May this year.

As anticipated, the County Council have decided to move ahead and will make their request to Government by today's deadline.

There have been many discussions across Kent since the White Paper was published, with Leaders of each of the Councils in Kent and Medway coming together to air their views and move towards a response to the Government's devolution proposals.

Whilst there remain different opinions across the County, it became increasingly apparent that Kent were minded to make a request to Government to participate in their Devolution Priority Programme.

Should Government accept the County Council's request to join the Devolution Priority Programme, it would commit Kent and Medway to elections for a Mayoral Strategic Authority in May 2026 and the implementation of local government reorganisation – most likely from April 2028 at the earliest.

If the Government accepts the request, it is also likely that the County Council elections, due to be held in May this year, would be postponed. It is likely that Government will make those decisions before the end of this month, but it may be slightly later.

Whilst any decision made by the County Council will have a significant impact on the rest of Kent & Medway, the Government has been clear that the upper-tier authority has the responsibility and authority to make this request without the express support of the (lower-tier) District & Borough Councils in Kent.

The Government has also been clear that creating the Mayoral Strategic Authority is the priority and only indicative proposals for reorganisation are required to clear the first hurdle. From there, the Government has been prepared to address reorganisation from 2026 onwards in order to attract more County Councils to their plans. It is our understanding that at least 12 of the remaining 21 County Councils in two-tier areas are intending to submit bids to the Government to join the Priority Programme.

Government will review all of those bids and decide which Councils it will work with to move forward on devolution and then local government reorganisation.

It remains the case that the Government has set out an incredibly ambitious timetable to deliver on their devolution and local government reorganisation agenda.

Should proposals for Kent progress over the next month, indicative proposals for reorganisation would be required by the end of March. At the current time, we would expect very limited information to be set out, potentially only the areas that could make up new unitary authorities.

By Autumn this year, initial consultations on accepting a devolution deal in Kent and necessary legislative changes are expected to be implemented.

Focus would then turn to the creation of the Mayoral Strategic Authority (MSA), the new body to be led by a Mayor for Kent & Medway. The new MSA would have responsibility across all of Kent & Medway for the strategic planning of transport & infrastructure, skills & employment, housing & strategic planning, economic development & regeneration, environment & climate change, health, wellbeing & public safety.

Should this all be delivered on time, the first election for a Kent & Medway Mayor would be held in 2026.

From 2026 onwards, the focus would turn to Local Government Reorganisation and replacing the County Council, Medway and all of the District and Borough Councils with a number of unitary councils. These would not go live until April 2028 at the earliest.

There is still very limited information available about the detail behind the steps that will follow, and what impact these may have for Town & Parish Councils, but we will endeavour to keep you updated as matters continue to progress.

It is possible, that should matters progress, that the current Boundary Review being undertaken in the District will be halted, but at the current time we have been told to proceed with the current consultation and more information will be provided to us later this month.

If you have any questions in the meanwhile, please do let me know.

Kind regards

12.3.3 Local Nature Recovery Strategy Public Consultation

Subject: Local Nature Recovery Strategy Public Consultation

Dear Parish Councils,

We are excited to announce that our public consultation for the Kent and Medway Local Nature Recovery Strategy begins tomorrow, the 16th Jan.

The Strategy highlights the ambitions of helping habitats such as chalk grasslands, ancient woodland and coastal grazing marsh and mudflats. It also identifies priority species that need assistance, like the Shrill Carder Bee, Barn Owl, Duke of Burgundy butterfly and Green-winged Orchid. The draft strategy sets out the priorities for the recovery of nature in the county, and the recommended actions to deliver this. It also proposes areas where the creation or improvement of habitats could take place, highlighting where the greatest benefits will be for nature. The Strategy's principles start with improving and safeguarding what we already have and aim towards connectivity between these areas, giving nature more resilience.

We would like to encourage as many Kent residents to take part in the public consultation as possible, and are therefore appealing to Parish Councils to help us spread the word by displaying posters, or featuring a news item in newsletters. If you have a public display board that would take a poster, please do let us know and we can get a poster sent out to you. And if you also produce a newsletter, again, let us know and we can provide a news item and images for you. Any support you can offer would be greatly appreciated.

Thanks in advance, and we look forward to hearing from you.

Thanks

Rachel
